Health assessment

It's all about you

Take the Blue Cross Health & Well-Being health assessment, powered by WebMD, to get a picture of your current health and your health risks. In an easy-to-read, interactive format, the health assessment asks you questions designed to evaluate your health. In addition:

- **It's fast.** Mobile-friendly and interactive, it takes about 10 minutes to complete.
- **It's effective.** It asks a variety of basic questions about your diet, exercise, sleep, medical history and lifestyle factors to give you a holistic view of your current health, along with a personalized plan for better health.
- **It gives you information you can use.** After taking the health assessment and getting your results, use Blue Cross Health & Well-Being online resources to help you with whatever is on your plan — from exercise and diet trackers to Digital Health Assistant programs, it all starts here.

It's easy to find online

Accessing the health assessment is easy.

1. Log in to your Blue Cross member account at **bcbsm.com** or the Blue Cross mobile app. If you're a first-time user, you must register.
2. Click or tap *Health & Well-Being*, then *WebMD Health Services*, to enter the Blue Cross Health & Well-Being site.
3. Click or tap *Resources* in the navigation bar or at the bottom of the app, then click on the *Health Assessment* card.

The first time you enter the Blue Cross Health & Well-Being site to use WebMD tools, you'll need to register.

If you have questions about how to complete the health assessment, call the Engagement Center at 1-800-775-BLUE (2583).

Problems with online registration?
Call the Blue Cross Web help desk

It's personal

After you complete your health assessment, you'll receive:

- A health score based on an analysis of your modifiable health risks
- A list of your highest-risk areas
- A Modifiable Risk Report and a Condition Risk Report
- A list of the next steps you can take to improve your health

You can also see how your health score compares to others who have completed the health assessment.

Before you start, gather this information:

- Blood pressure
- Total cholesterol
- High-density lipoprotein or HDL cholesterol
- Low-density lipoprotein or LDL cholesterol
- Triglycerides
- Blood sugar
- Height, weight and waist measurements
- Recent health screenings

If you don't have this information, you can still take the health assessment. But having this information will provide you with more in-depth results.

Tobacco Coaching

If you're a tobacco user who's ready to quit, the Tobacco Coaching program, powered by WebMD, may be right for you.

To qualify for this 12-week program, you must be ready to set a quit date within the next 30 days, and you must have used tobacco within seven days of your initial call to a health coach.

You'll receive five calls from a specially trained health coach over 12 weeks, where you'll work toward your goal of quitting tobacco. If you need additional support, you can call a health coach at any time.

You can schedule your calls when it's most convenient for you. Health coaches are available:

Monday - Thursday: 9 a.m. to 11:30 p.m.

Friday: 9 a.m. to 8 p.m.

Saturday: 9:30 a.m. to 6 p.m.

Sunday: 1 to 11:30 p.m.

Call WebMD to schedule your first call at 1-855-326-5102.
